§ 32.6620 Services.

(a) This account shall include:

(1) Costs incurred in helping customers place and complete calls, except directory assistance. This includes handling and recording; intercept; quoting rates, time and charges; and all other activities involved in the manual handling of calls.

(2) Costs incurred in providing customer number and classified listings. This includes preparing or purchasing, compiling, and disseminating those listings through directory assistance or other means.

(3) Costs incurred in establishing and servicing customer accounts. This includes:

(i) Initiating customer service orders and records;

(ii) Maintaining and billing customer accounts;

(iii) Collecting and investigating customer accounts, including collecting revenues, reporting receipts, administering collection treatment, and handling contacts with customers regarding adjustments of bills;

(iv) Collecting and reporting pay station receipts; and

(v) Instructing customers in the use of products and services.

(b) This account shall also include amounts paid by interexchange carriers or other exchange carriers to another exchange carrier for billing and collection services. Subsidiary record categories shall be maintained in order that the entity may separately report interstate and intrastate amounts. Such subsidiary record categories shall be reported as required by Part 43 of this chapter.

(c) Class A companies, except mid-sized incumbent local exchange carriers, shall main-

tain the following subaccounts for expenses recorded in this account: 6620.1 Wholesale, 6620.2 Retail.

(1) *6620.1 Wholesale.* This subaccount shall include costs associated with telecommunications services provided for resale to other telecommunications carriers.

(2) *6620.2 Retail.* This subaccount shall include costs associated with telecommunications services provided to subscribers who are not telecommunications carriers.

§ 32.6622 Number services.

This account shall include costs incurred in providing customer number and classified listings. This includes preparing or purchasing, compiling, and disseminating those listings through directory assistance or other means.

§ 32.6720 General and administrative.

This account shall include costs incurred in the provision of general and administrative services as follows:

(a) Formulating corporate policy and in providing overall administration and management. Included are the pay, fees and expenses of boards of directors or similar policy boards and all board-designated officers of the company and their office staffs, e.g., secretaries and staff assistants.

(b) Developing and evaluating long-term courses of action for the future operations of the company. This includes performing corporate organization and integrated long-range planning, including management studies, options and contingency plans, and economic strategic analysis.

(c) Providing accounting and financial services. Accounting services include payroll and disbursements, property accounting, capital recovery, regulatory accounting (revenue requirements, separations, settlements and corollary cost accounting), non-customer billing, tax accounting, internal and external auditing, capital and operating budget analysis and control, and general accounting (accounting principles and procedures and journals, ledgers, and financial reports).
